

HUNTING EQUIPMENT

These are attached to the dee rings of the saddle.

HUNTING HORN AND CASE

Only the huntsman and Master will carry this.

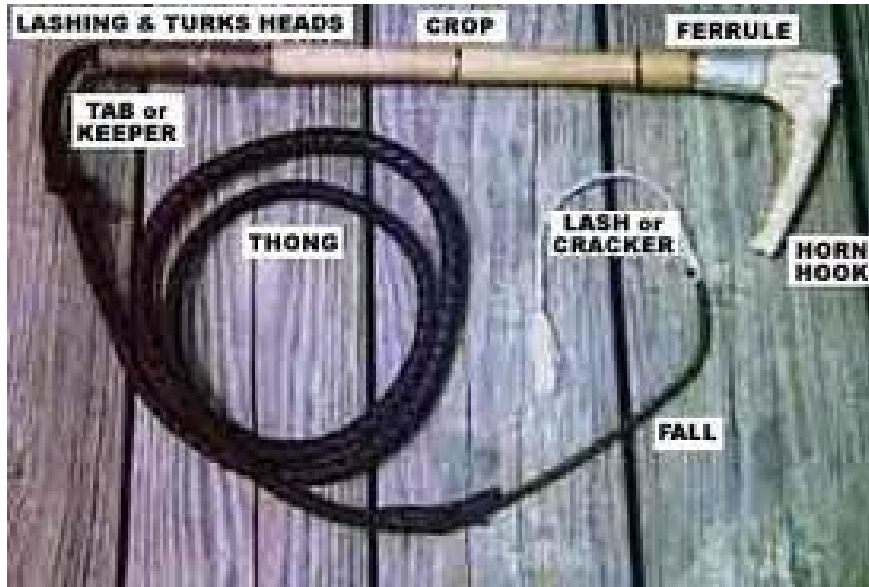

WIRE CUTTERS IN CASE

All staff members will carry this. Field members may, also.

HUNTING WHIP

This is carried by all staff members. Field members may carry them, too, but are not to use them on a hound.

SANDWICH CASE

This is carried by field members. Staff members may carry them if allowed by the Master.

HOUND COUPLES

These are used to attach two hounds to each other while training, never while hunting. They are carried by staff members, usually whippers-in.

HUNTING FLASK

This is carried by members of the field.
